## The Year 1970:

. . . was the dawn of a new  
 decade;  
 filled with joys of victory;  
 tempered with the sorrow of  
 defeat;  
 a time for discussions about  
 peace;  
 while realizing inheritance of a  
 war;  
 the year we made Number One;  
 and then set out to prove we  
 deserved it;  
 a time of great change within  
 the Church;  
 and an ever greater change in  
 ourselves;  
 a time of completion;  
 and yet still more a time of  
 preparation;  
 a time for great competition;  
 yet a time for full cooperation.  
 All this and much more com-  
 prised the year 1970 at St.  
 Paul High School, and this  
 is the story the '70 Spirit  
 staff has attempted to relate.

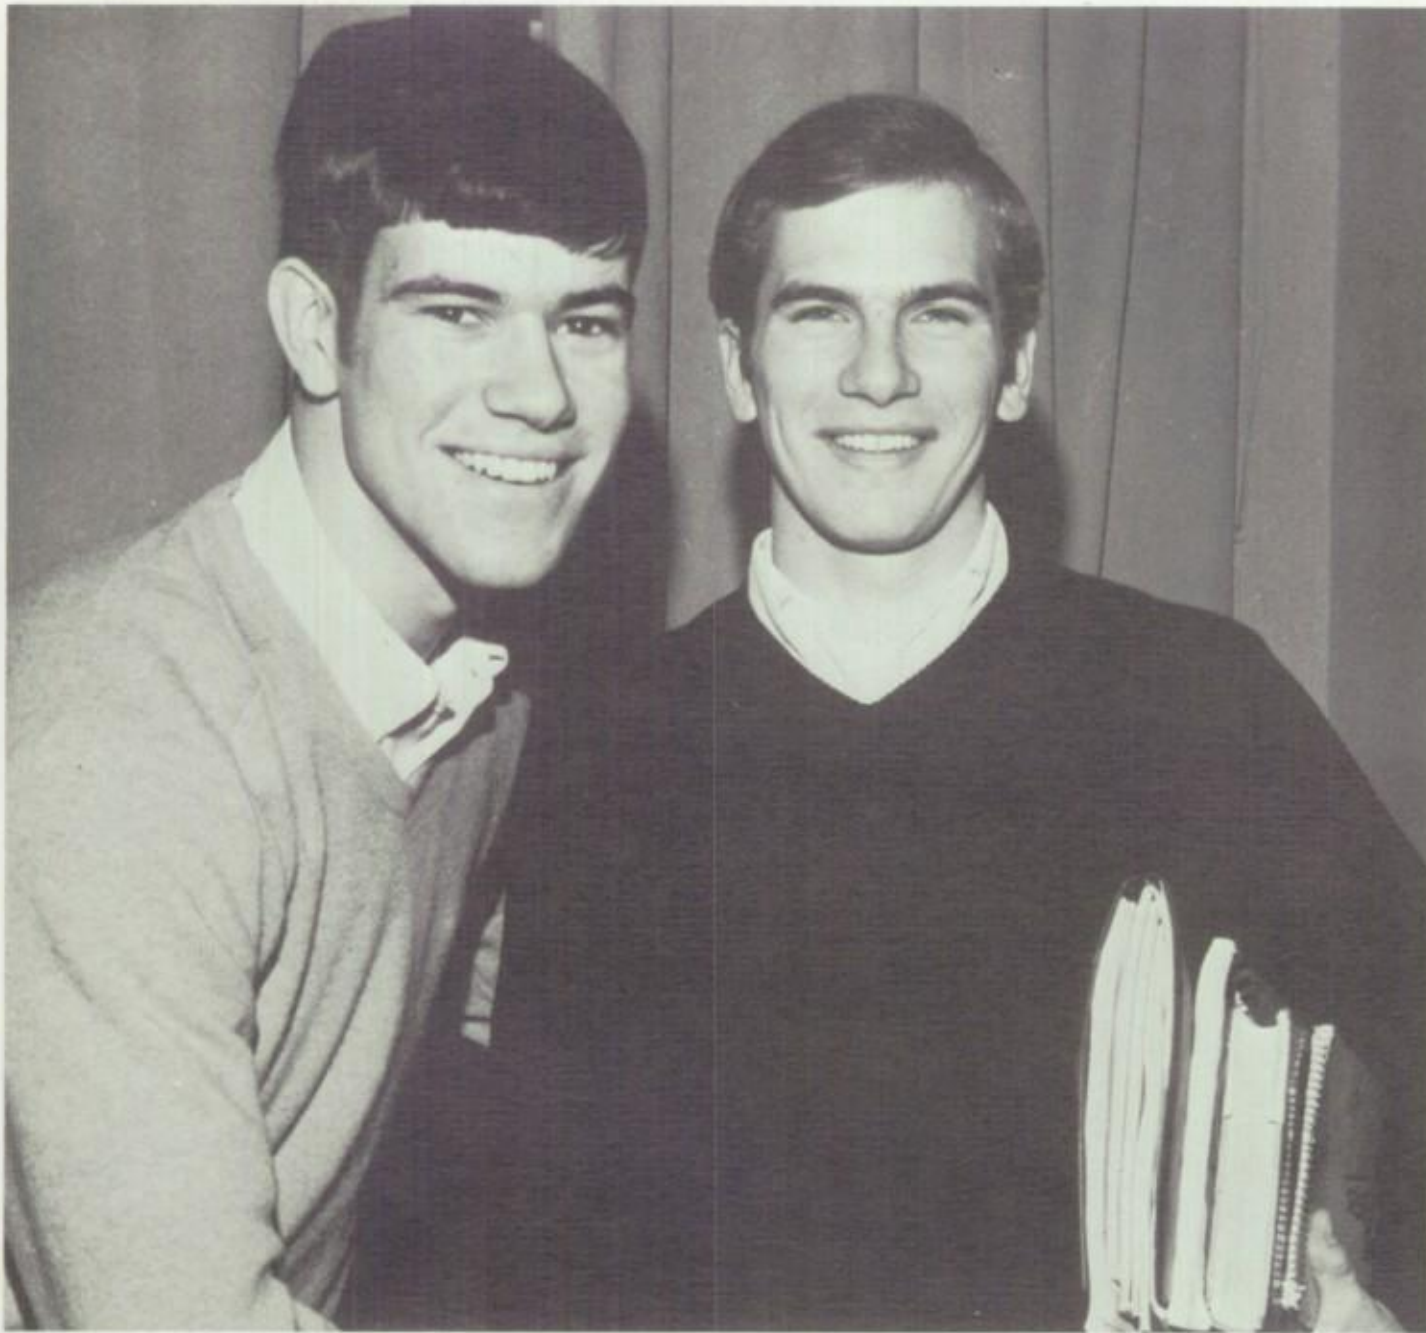

Because we are human, we influence one another. Our innermost thoughts and prayers, our needs and anxieties, our feelings of joy and despondency—all are affected by our togetherness. Even inwardly, we are bound to speak the language we have learned from others and this language in turn shapes our way of experiencing reality.

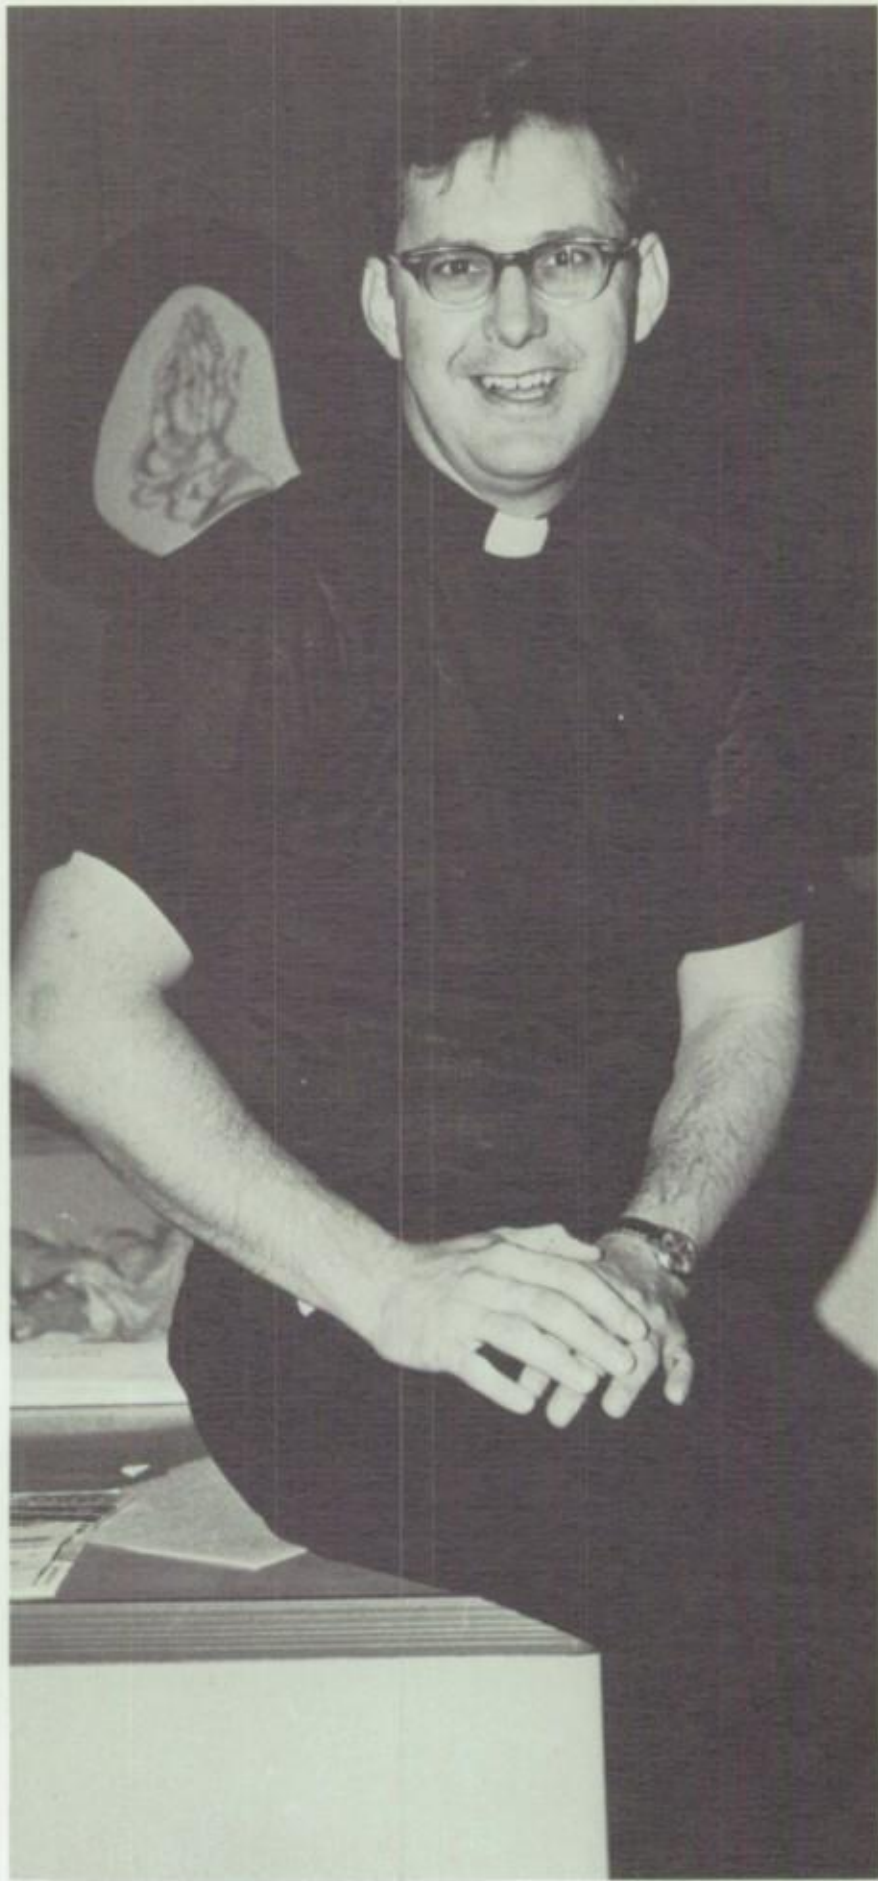

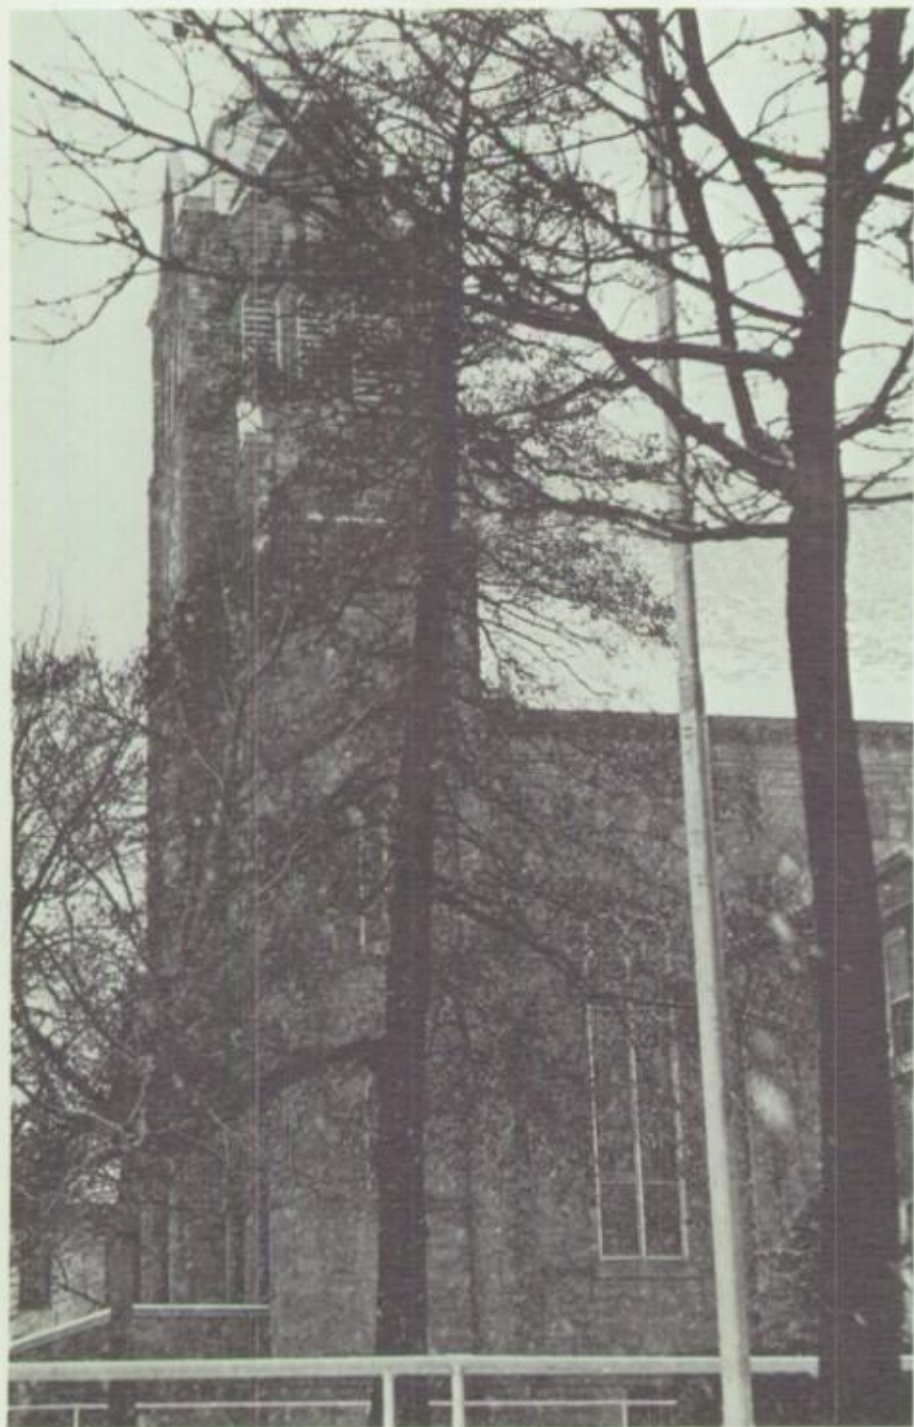

If a task  
is once begun  
never leave it  
till it's done.  
Be the labor  
great or small,  
Do it well  
or not at all.

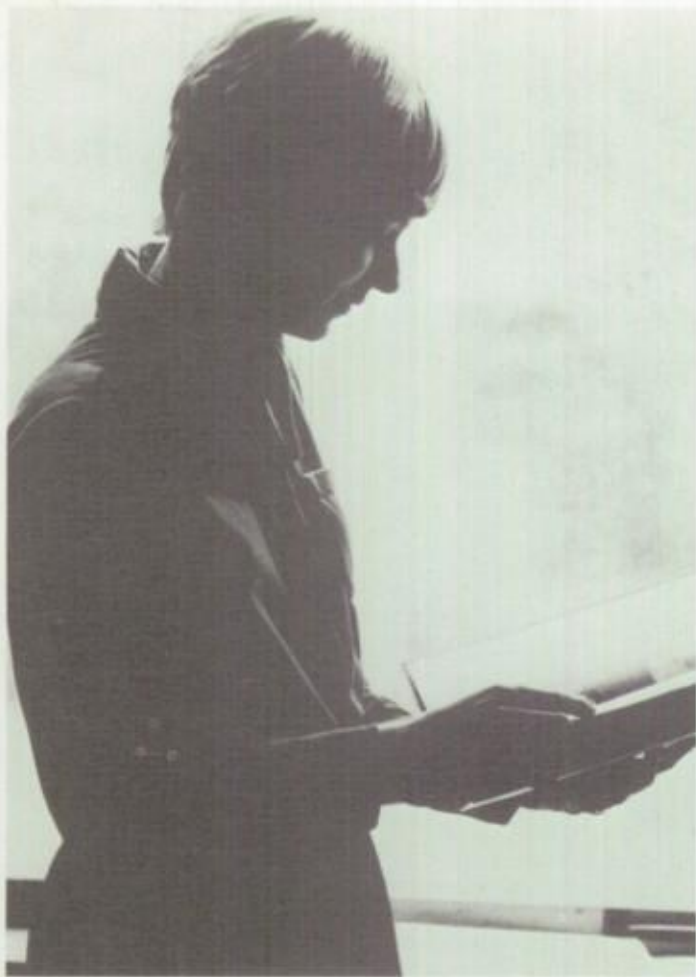

The finest persons we have ever known are occasionally the humblest in the ranks of society.

## St. Paul's

If I am a person who is locked in by past views rather than open to the daily manifestations of reality, I shall fail to see that phase of reality toward which the behavior of the other may be pointing. This prompts me to think of the word respect in its original meaning: to look again. In re-specting the other. I re-view his interpretation of reality so that I may widen my own.

## Learning Branches From Leadership

**Reverend Gerald M. Stein**

St. Paul Parish is indeed fortunate to be blessed with the spiritual and practical leadership of pastor Reverend Gerald M. Stein. Father's most ambitious project, the \$300,000 building and improvement program, was undertaken this year. Though mostly "behind the scenes," all St. Paul students realize Father Stein's fervent interest in our Christian education.

**Reverend William D. Bodart**

Reverend William Bodart, St. Paul High School principal, is the respected and well-liked leader of our scholastic pursuits. As an administrator, educator, and advisor, Father Bodart has introduced much of the great spirit that abounds in our halls. The 1969-70 school year was Father Bodart's fifth year at SPH.

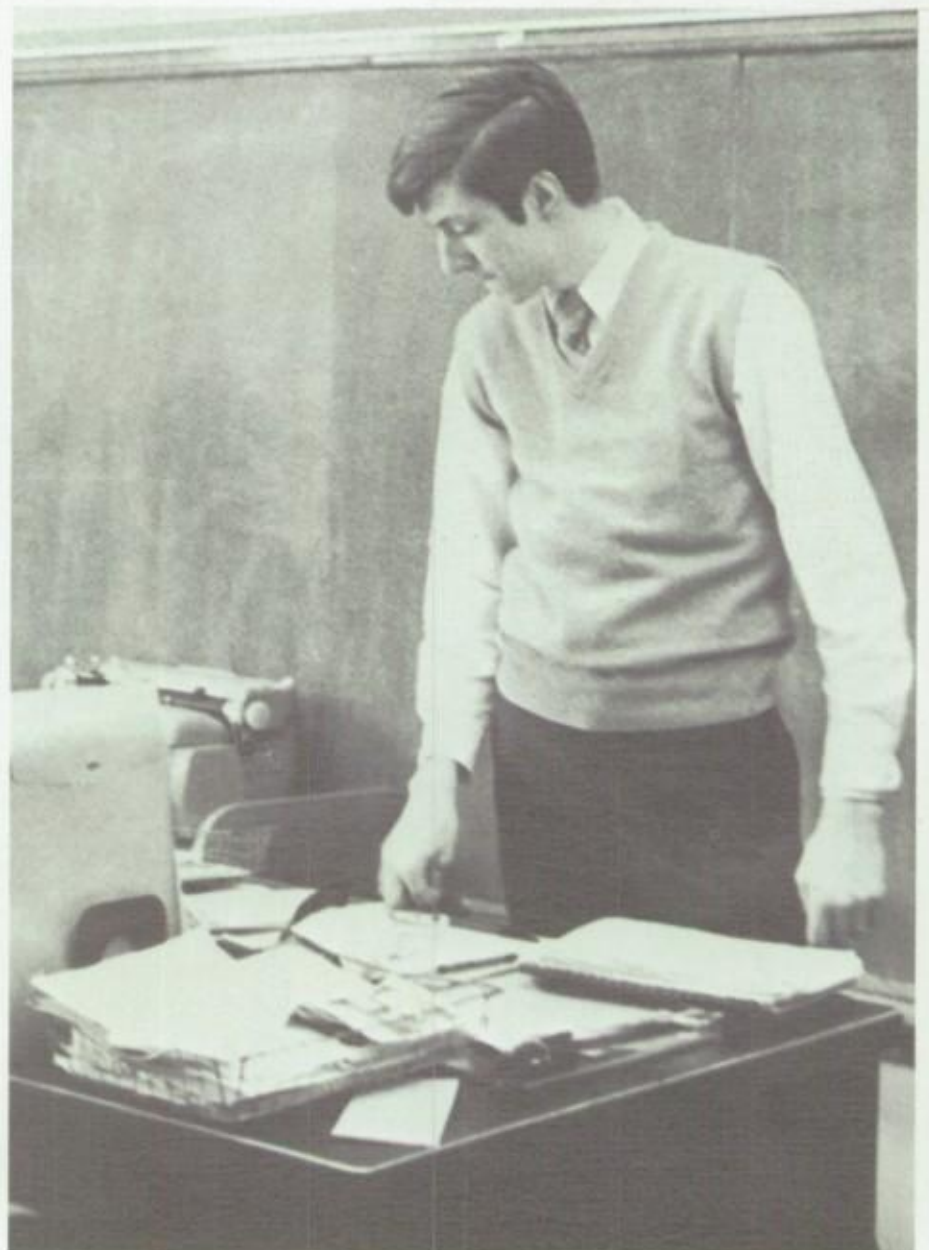

Reverend Kenneth Kehres makes a point during his Religion class. Father Kehres teaches Religion II and is CYO moderator, in addition to his duties as a parish priest.

## CYO Moderator

Mr. Dennis Dible, journalism advisor, checks his desk for materials. Mr. Dible teaches Journalism, English I, and also serves the high school and parish as public relations advisor.

## Epilogue To A Perfect Season

The 1969 football season was one to be long remembered. Not only was it the Flyers first State Championship, but it also signified the conquering of the uneven odds. One "odd" was that our boys were outweighed by almost every team they played. Going into the season the squad and fans were hopeful of another outstanding season being 10-0 last year. However injuries to key personnel in early games could have dampened the team spirit. On the contrary, this seemed to fire "second and third" stringers up to work for the positions. This assuredly brought out the best abilities possible. So as the gaps were filled the Flyers again pulled through the 1969 season unscathed. The team reached its peak when it dubbed its second arch rival of the year, Mapleton, 58-0. The first was of course "The powerhouse from

down the road," Edison. In this game the Flyers showed a tremendous come from behind spirit and upset the Charges 7-6 in the final six minutes of play.

The climax of the season was announced at the football banquet on the evening of November 10. Bedlam broke loose in Norwalk and especially in front of St. Paul High School as it was announced by the Associated Press that Norwalk St. Paul was the number one Class "A" football team in the state of Ohio.

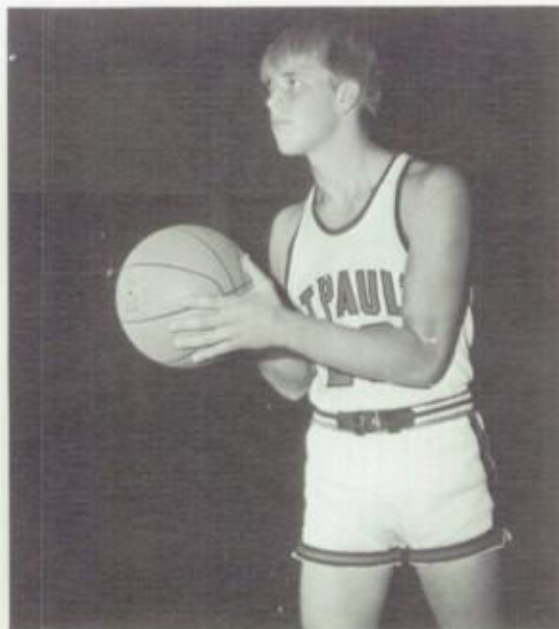

"Icing" was put on the "cake" as many team members made All-State and All-American teams. Final recognition was given "the coach who made us Number one," Coach Gottfried, as it was announced that he had tied for "Coach of the Year" in the UPI poll in Ohio.
